

# STUDENT OUTSTANDING SERVICE AWARD

## **SUBMISSION GUIDELINES**

The Climate Change Institute (CCI) accepts applications for the Climate Change Institute – STUDENT OUTSTANDING SERVICE AWARD annually. This award is intended to recognize significant service to the profession, to the community, to the Climate Change Institute, and/or to the university that draws on the student’s areas of expertise related to climate change studies broadly conceived. Service activities are carried out without remuneration and outside of regular coursework and research.

Awardee will receive a framed certificate and an invitation to dine with members of the CCI Awards Committee.

Award will be presented at the annual Borns Symposium.

Interested CCI applicants should fill out this form and submit their submission packet to: Dan Sandweiss ([dan.sandweiss@maine.edu](mailto:dan.sandweiss@maine.edu)) by the date indicated in the email accompanying these guidelines.
