BORNS BEST STUDENT PRESENTATION AWARD

BORNS BEST STUDENT POSTER AWARD

All CCI graduate student presenters who submit mini papers/abstracts by the Borns Symposium deadline and present their work at the Symposium will automatically be considered for either the Borns Best Student Presentation Award or the Borns Best Student Poster Award. Criteria for selection include: 1) Significance of research, 2) Clarity of presentation, 3) Successful communication of research results to an interdisciplinary audience, 4) Effective use of graphics, and 5) Logical organization/layout.

Awardee will receive a framed certificate and an invitation to dine with members of the CCI Awards Committee. Award will be presented at the annual Borns Symposium.
